Florida Hospital East Orlando
PGY-1 Pharmacy Practice Residency

Florida Hospital East Orlando is a full-service community hospital and an innovative and respected local leader filling a vital need in a fast-growing area. A recent 200,000 square-foot expansion project upgraded the hospital to a total 267 beds, including 24 in the Intensive Care Unit (ICU). Florida Hospital East Orlando provides care for more than 12,000 inpatients and 83,000 Emergency Department (ED) patients annually and hosts medical residents in the ED and Family Medicine programs. We are a clinical teaching site for several colleges of pharmacy, medicine and nursing.

The mission of the Pharmacy Department is to provide quality pharmaceutical care to improve the patient’s quality of life, while providing support for caregivers. As part of multidisciplinary teams, we share the responsibility of monitoring responses to drug therapy and optimizing care to improve patient outcomes. The Pharmacy Practice Residency Program at Florida Hospital East Orlando will develop participants’ critical-thinking skills necessary to provide specialized, patient-focused care and become confident, independent clinicians on the health care team. Residents graduating from the program will be prepared to pursue PGY-2 training in their area of choice, become board-certified pharmacotherapy specialists (BCPSs) or obtain positions as adjunct College of Pharmacy faculty members.
Required activities include:
- Medication-use evaluation
- Research project suitable for publication
- Formulary review
- Student and resident teaching
- Presentation of an American College of Pharmacy Education (APCE)-accredited continuing education session and poster or platform presentation at a professional meeting

Opportunities for committee involvement include:
- Pharmacy and Therapeutics Committee
- Formulary Subcommittee
- Performance-improvement projects
- Medication Safety Committee

Position Description
- Two full-time, 12-month positions
- Estimated annual stipend: $39,500
- Health insurance
- Ten days paid vacation
- Monogrammed lab coat
- Free parking
- Meal discount

Travel Support
- American Society of Health-system Pharmacists (ASHP) midyear clinical meeting and Florida Residency Conference

How to Apply
The application deadline is January 10, 2014. Applicants must submit a letter of Intent, curriculum vitae (CV), official college transcript, three letters of recommendation and complete PhORCAS application.
